

band, and Pop Warner football teams. Today, many are able to participate in sports and utilize the fields, tracks, and stadiums that stand as a result of Mr. Entinger's hard work and commitment to the sporting community.

BG Gould has served as the team statistician for Medford area high school baseball, basketball, football, and softball teams since 1967. The 1970 Medford High School graduate spent 13 years as an official scorer for the Oakland A's minor league team, the Southern Oregon Timberjacks. BG also worked as an umpire in the Rogue Valley for over 35 years. Today, he continues to put his statistical and historical knowledge to work as the sports information director for School District 549-C in Medford.

Whitney Grant, a Klamath Falls native, started 4 years as a point guard on the University of Portland women's basketball team. By the time her collegiate career with the Pilots ended, Whitney ranked second in three-point baskets, seventh in assists, and twelfth in points scored on the team's all-time leaders list. Whitney was also a tremendous all-season athlete at South Medford High School, where she excelled in track, soccer, and volleyball. Whitney is currently working in Portland, OR, for Adidas.

Angie Jacobs, a Medford native and a graduate of Medford Senior High School, led Medford to their first State softball championship in 1984 as an all-state catcher. On scholarship at the University of California, Berkeley, she helped lead the softball team to a third-place finish in the 1986 NCAA tournament. As a senior, Angie was selected to the All Pac-10 team, a remarkable feat considering 6 months prior she had her right thumb reattached following an accident. Jacobs is a two-time Amateur Softball Association All-American and currently is finishing her first season as the head softball coach at the University of Utah.

Dr. Robert McIntyre is well known in Medford for his contributions to the medical community, where he has practiced medicine for 28 years. Others in the region know him for his flashing speed, State titles, and the track scholarship that led him to Stanford University. Among his many accomplishments, Dr. McIntyre was the State titleholder in the 440-yard dash with a time of 49.2 seconds. At Stanford, he ran a leg on Stanford's world record breaking 4 100 yard relay team, and his 1965 AAU All-American Team still holds the all-time Stanford relay record. Dr. McIntyre rounded out his athletic career participating in decathlons and twice finished as a national runner-up in his age group.

Dennis J. Murphy is one of the most successful coaches in South Medford High School history. He spent 19 years coaching the South Medford High School boys' basketball team, where he compiled 11 conference championships, four semifinal appearances, one state runner-up finish, and a state title. He has over 500 career victories since he started coaching in 1975. Dennis' ability to teach and coach spans further than just the hardwood. Prior to his time at South Medford High School, Dennis coached at St. Mary's as the offensive and defensive line coach where he guided St. Mary's to three state championships, and also won a title on the baseball diamond as the head coach in 1982.

Kevin Towers, a 1979 Medford High School graduate, became the Executive Vice President/General Manager of the San Diego Pa-

dres in 1995. His 27-year professional baseball career began when Towers was selected in the first round of the 1982 draft by the San Diego Padres. He pitched for the Padres' minor league teams until arm operations forced him to retire. Upon retirement, Kevin moved to the front office where he is the longest-tenured general manager in Padres history. Under his guidance, the Padres won the National League West titles in 1996, 1998, 2005, and 2006, and won the National League pennant in 1998.

Dr. Steven J. Wisely spent 18 years as the superintendent of the Medford School District. He also represented the region as the school district's athletic director from 1990 to 2003. Whether he was working with the local YMCA to ensure elementary sports were available to students or assisting in the development of soccer fields at North Medford High School, Dr. Wisely played a significant role in providing athletic opportunities for all youth in the community.

Robert "Bob" Wolcott, a North Medford High School graduate, made the jump from high school to pro baseball in 1992. Selected by the Seattle Mariners in the second round, he spent three years in the minors before advancing to the big leagues in 1995. Bob may be most notable for his winning decision in Game 1 of the 1995 American League Championship Series, where he led his Mariners to a 3-2 victory over the Cleveland Indians. He finished the 1995 season with a victory over Roger Clemens and twice as many victories as losses. He currently works as a contract engineer for Intel.

These highlights are just a few of the remarkable accomplishments made by these ten outstanding athletes and sports enthusiasts. However, they help illustrate the impact each has contributed to the community and the younger athletes that will follow in their footsteps.

My colleagues, please join me in congratulating the newest inductees into the Medford Sports Hall of Fame.

HONORING INTERFAITH LEADERSHIP AWARD WINNERS MARILYN PINSKY AND KATHRYN RUSCITTO

HON. JAMES T. WALSH

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2007

Mr. WALSH of New York. Madam Speaker, I rise today in tribute to Marilyn Pinsky and Kathryn Ruscitto, recipients of the 2007 Interfaith Leadership Award from Interfaith Works, for their devotion to religion, distinction in career, and dedication to community.

Marilyn L. Pinsky served in Onondaga County government for 35 years, retiring in 2006 from the position of Commissioner of the Onondaga County Department of Aging and Youth. She is a graduate of Syracuse University, earning her Masters of Public Administration from the Maxwell School. She has been a prominent member of multiple community organizations, including the Community Foundation of Central New York, the Success by Six Policy Council, and the United Way. Her work in the community has benefited many and has distinguished her as a leader and an example for all of us.

Kathryn H. Ruscitto has served as Senior Vice President for Strategic Planning and Organization Development at St. Joseph's Hospital since 2001. She earned her Bachelor's in Political Science and Education at LeMoyne College, and her Masters in Public Administration from the Maxwell School of Syracuse University. She has been involved with many community organizations and activities, including serving as a trustee for the Health Care Foundation of Western and Central New York, serving on the LeMoyne College Board of Regents, and as an Advisory Board member for Key Bank. Through her efforts on behalf of others, Mrs. Ruscitto has become a notable member of our community.

I am proud to use this opportunity to publicly recognize Mrs. Pinsky and Mrs. Ruscitto for their outstanding dedication and service, and for earning this much deserved award.

TRIBUTE TO VALERIAN HUVAR

HON. RON PAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2007

Mr. PAUL. Madam Speaker, 2007 marks Valerian Huvar's 52nd year of service as the county clerk for Victoria, Texas, making him the longest serving county clerk in Texas history. I am pleased to join the residents of Victoria in extending my thanks and congratulations to Mr. Huvar.

Mr. Huvar, the son of Fred and Stella Huvar, was born in El Campo, Texas on October 19, 1919. Mr. Huvar has resided in Victoria since he was 4 months old. A 1937 graduate of St. Joseph High School, Mr. Huvar worked for the local Goodyear Tire Store until December 30, 1941, when he entered the military. Mr. Huvar spent 5 years in the Army Air Corps Ordnance Department, earning the rank of Master Sergeant.

After his discharge from active duty, Mr. Huvar returned to the local Goodyear Tire Store, this time as the store's manager. Soon thereafter he went to work at the local Montgomery Ward where he set up their business office. In 1950, he went to work as a teller in the First Victoria National Bank.

In 1954, Mr. Huvar successfully ran for Victoria County Clerk. He was officially sworn in on January 1, 1955, and has held the position ever since.

Mr. Huvar married Luella Edwards of Blanco, Texas, on May 4, 1947. She passed away on January 7, 1984. Valerian and Luella have four children—Charlotte, Carolyn, Dennis, and Michael, 10 grandchildren, and five great-grandchildren.

Madam Speaker, for over 5 decades the people of Victoria County have benefited from Mr. Valerian Huvar's dedication and professionalism. I am pleased to join my constituents and friends in Victoria in paying tribute to the accomplishments of this remarkable Texan.

HONORING DR. CHARLES DARLAND

HON. RON LEWIS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2007

Mr. LEWIS of Kentucky. Madam Speaker, I rise today to congratulate Dr. Charles Darland,
